Emergency Fund Application
Submit via Emergency@The-Network.org or mail to 1 E. Wacker Dr., Suite 1630, Chicago, IL 60601 or fax: (312) 527-0733

The Network: Advocating Against Domestic Violence established an Emergency Crisis Fund for survivors of Domestic Violence to address critical gaps in the safety net for survivors. While current funding will be used to respond to issues arising from the COVID-19 crisis, we intend to maintain this funding as a support for survivors across our community.

The Fund will prioritize supports for survivors where no other funding is applicable. Examples of supports include, but are not limited to: rental assistance, educational and social supports for e-learning for clients in shelter or community emergency housing, diapers, support for incarcerated survivors, emergency cell phones, or bill payment to remain in housing. Other requests will be considered.

Complete application and submit via email, mail, or fax.

1. Please describe the need you/your client is trying to address, including cost estimates and how this need will maintain safety for you/your client:

2. Is other funding available for this need? If yes, was another request made?

3. Please indicate the most efficient way for the Network to support this request (check to provider, direct payment to landlord, etc)
For Domestic Violence Program Members:
Please provide description of services planned with funding and data collected to verify expenses.

(Check all that apply):
- Emergency General Funding
- Rideshare
- Emergency Housing
- E-Learning Support
- Hygiene Care Packages
- Diapers

Attach Supporting Information:
- Rent Statements
- Rental Deposit/Lease
- School E-Learning Verification

We are not discriminating against migration status, race, age, or sex. Funds are distributed from donations the Network has collected for survivors of domestic violence.
