mail to Luz Magdalena Flores, 1 E. Wacker Dr., Suite 1630, Chicago, IL 60601  
or fax: (312) 527-0733

The Network: Advocating Against Domestic Violence established an Emergency Crisis Fund for survivors of Domestic Violence to address critical gaps in the safety net for survivors. The Fund prioritizes support for survivors where no other funding is applicable. Examples of supports include, but are not limited to: one months rental assistance, educational and social supports for e-learning for clients in shelter or community emergency housing, diapers, support for incarcerated survivors, emergency bills, or transportation. Other requests will be considered. Please allow 2-3 weeks for application process to be completed, you will be notified via email when funds are distributed. Due to the demand of emergency funding we can only provide funding once per applicant.

Complete application and submit via email, mail, or fax.

- 1. Please describe the need you/your client is trying to address, including domestic violence situation and how this need will maintain safety for you/your client:**
- 2. Is other funding available for this need? If yes, was another request made?**
- 3. Please indicate the most efficient way for the Network to process the financial request. At this time we are able to mail a check to client (or landlord if applicable) or via Venmo. Please include the name and address for check requests or Venmo username.**
