For Immediate Release

[Chicago, IL, April 5, 2023] – We are thrilled to congratulate Mayor-Elect Brandon Johnson on his historic win yesterday, and applaud his forward-thinking vision of public safety. Throughout his campaign and beyond he has proven to be committed to the issue of gender-based violence, taking the time to meet with our community to understand our values and proactively find solutions to end gender-based violence.

We look forward to working with his transition team and his incoming administration to address root causes of gender-based violence and strengthen our communities through collaboration and collective action.
